

HOW TO USE HUB CLIMBING PARTY INVITES

1 DOWNLOAD

Download/Open the pdf invite template: hubclimbing.com/hub-invite.pdf

2 EDIT

Customize text in your pdf by clicking on a text field or by pressing your keyboard's tab key to move between fields. Both the name of the field ie "DATE" and the field content is editable.

DATE:

*If your browser does not support interactive pdfs (such as firefox) you can save the pdf file: CTRL+S on your keyboard or from the File menu select Save/Save As, and then open the file from your computer to a pdf reader (such as Adobe Acrobat Reader)

3 PRINT

When you are happy with your invitation you can print it from your browser, CTRL+P or File>Print from your browser's menu. Print the file at 100% scale or turn off "Fit to Page".

You can also save it to print later. To save choose CTRL+S on your keyboard or File>Save As from the menu.

4 FOLD

Fold the page in half along the long edge first (A). Folding so the Dragon is facing outward. Next fold in half again so the Dragon is facing outwards and is fully visible. Enjoy!
